

2011 International Football Summer Camp DIF

Camp Focus:

The International Football Summer Camp is designed for junior players from 15 years old to professional to advance their skills and make placements into Serbian and European professional football clubs. The program is designed to both enhance the players' skills and also measure their level of professional competence. This year we are also adding special guest coaches, skills and competitions and friendly games with some of the top teams and a visit to the 53,000 spectators-capacity "Belgrade Marakana" stadium, one of the biggest stadiums in Europe and home of the 1991 European Champion Red Star FC.

Camp Head Coach:

Prof. Aleksandar Jankovic, PhD is a world known football (soccer) expert, who has been involved in development of some of the most talented players for more than 20 years. His major assignments & achievements include:

-  Coach of the Serbian U21 National Team in 2006
-  Winning 2nd place on the European U21 Championship in 2007
-  Coach of the Serbian "A" National Team in 2008 and Olympic Team
-  Winner of several Serbian National Cups with different "A" league Clubs

Matches with A-League Opponents:

Throughout the 15-day Camp, the players will have an opportunity to play up to 4 competitive matches with some of the A-League Serbian clubs. These matches will serve as primary basis for football agents and club managers to monitor and choose the players for professional career in Serbia and Europe. The Camp format is 2 days training followed by a match, followed by a rest day.

Venue

The hotel Trim is part of the Republic Institute for Sports complex - the National training centre, where national and Olympic teams prepare for competitions. The National training centre boasts 4 football courts for mini football, 2 full size grass football courts, 6 tennis courts, clay and hard, indoor and outdoor basketball, handball and volleyball courts, gym, cross country running track, indoor swimming pool with sauna, and an open air swimming complex which has an Olympic sized diving pool, Olympic sized swimming pool and 4 smaller pools.

Camp Organization:

The Camp organizers are the **Faculty of Sport & Physical Education, University Of Belgrade** and **KTC International Corp.**, a sports management agency headquartered in Budapest, Hungary. The Faculty of Sport & Physical Education provides the facilities and the Coaching Team, while KTC International Corp. is responsible for promotion and administration of the Camp.
